Summary:

On 07-09-10 at 2:49 PM, Carlsbad P.D. was dispatched to a report of a suicidal subject in the 7700 Block of Caminito Monarca. The subject had called both his mother and sister, making repeated statements that he was going to kill himself and he longer had any reason to go on living. The subject further stated that if he saw any police officers, he would cut his own throat. The subject was found to have a history or narcotics usage, weapons possession and a prior suicide attempt.

Patrol officers and plainclothes detectives responded to the location and were able to lure the subject out of his residence. Once outside of the residence, officers attempted to contact the subject, who immediately placed a knife to his throat and attempted to retreat back into his residence.

Officers deployed several less lethal tools and were able to take the subject into custody with only very minor injuries.

The subject was subsequently transported to Tri-City hospital for evaluation.
